NeuroMorpho.Org Showcase - Bug #34

open source brain 3d browser will not show any morphologies from this repo (neuromorpho)

24 Jan 2013 12:59 - Gregory Jefferis

Status:	Closed		**Start date:**	24 Jan 2013

Description

Clicking on the button to start the 3d browser results in a picklist containing a number of NML files. However, whenever any is selected I get an error:

The selected file does not contain any morphology.

History
